HERBALIFE NUTRITION: FROM SEED TO FEED

*Seed to Feed* is our commitment to ensuring the highest quality, safety and effectiveness of all Herbalife® products. While the process is far more extensive, *Seed to Feed* is founded on three main standards:

**INGREDIENTS WITH PURPOSE**

We are invested in new discoveries, responsible farming and advanced production methods to craft the best products possible. Our team consists of leading nutrition and health experts from around the world.

**CARE AT EVERY STAGE**

We go to great lengths to ensure Herbalife® products meet or exceed a variety of industry standards in quality. You can be confident in the purity and effectiveness of our individual ingredients, as well as the integrity of our processes.

**NUTRITION YOU CAN TRUST**

Using advanced technology, we carefully monitor the environment where our products are stored – ensuring they are just as pure and powerful when you receive them as when they were first developed.
